I consent to the checking of my criminal history and warrant record for the purpose of my participation in the Seguin Citizens Fire Academy.

Signature: _____

Date: _____

Who May Attend?

The course is open to anyone who lives or works in the City of Seguin who is at least 18 years old. Classes reflect a cross section of the community and are very diverse. Applicants are subjected to a criminal background and warrant check.

In General

The Academy is a great way to meet the people who help provide for your safety in the community. You will become acquainted with many of the firefighters during the 12 weeks. Note that these classes do not train you to become a firefighter, but do provide a fun and information packed overview of what we do. Classes are FREE and all equipment is provided for you to use during the class.

If you are interested but want more information, the Seguin Fire Department at 830-401-2310.

Return completed application to:

What is the Citizens Fire Academy?

The Seguin Fire Department presents a twelve week course in the spring that gives participants an inside look at the operation of their fire department. Classes are held on Thursday nights from 6:30-9:30 p.m.

Topics are diverse and include the use of fire extinguishers, fire science, self-contained breathing apparatus, fire hose evolutions, fire investigations and much much more. Many of the classes are hands on, allowing participants to apply what they are learning.

There is an optional Saturday activity that includes CPR training. Persons attending the academy will also be given the opportunity to participate in ride out programs to experience things first hand.

THE OBJECTIVE

Our goal is to provide our citizens with information to make informed judgments about the Fire Department and its activities. We hope that you have a clearer understanding and appreciation of what it means to be a fire fighter-paramedic. It is our hope that your increased awareness and knowledge will be shared with friends and neighbors to help promote understanding and good will between your fire department and the community in which we serve. The department in turn becomes more aware of the feelings and concerns of the community from the participant's interaction and input. It is a two way learning experience in which everyone wins.

So, if you are wondering what a sphygmomanometer is or who formed the first fire department in the United States or why we send a fire engine with an ambulance on a medical call or just want to have some fun and meet some new people then, sign up for the Seguin Citizen Fire Academy today.

HOLD HARMLESS AGREEMENT

I, _____, hereinafter referred to as participant, fully understand that due to the nature of the program, there is a chance of physical injury while participating in the Seguin Citizens Fire Academy. I agree to assume all risk described or not described herein. I agree to release and discharge the City of Seguin, its officers, employees and agents from any and all claims, demands, causes of action and suits, or liabilities which might arise from such participation, including acts or omissions constituting negligence.

Executed this _____ day of _____, 20____.
