APPLICATION FOR CONSTRUCTION OF TEMPORARY ELECTRIC SERVICE

This application is for coordination of construction of temporary electric service between the City of Seguin and the electrician of the proposed work. Applications for actual service and deposit are separate and must be made by the user of the service. The following needs to be filled in completely and clearly.

Building Address: _____

Type of Occupancy: _____
(If business, specify type of business)

Building owned by: _____

Occupied by: _____

Master Electrician: _____

Company Name: _____

Address: _____

Phone: _____

SERVICE DETAILS

Service Voltage & Phase: _____

Requested Service Size: _____

Attach a site plan with dimensions and location of electric service along with a one-line diagram showing all conductor sizes, conduit sizes, panel boards and all other related electrical apparatus. It is also understood that electric service charges must be paid in accordance with Chapter 102, "Utilities", Division 2, "Deposit and Service Charges", Article II, "Electricity", Section 102-52, "Electric Service Charges to Customers" of the City of Seguin Code Seguin of Ordinances. **Charges will be available after application has been reviewed. Charges are required to be paid and application for service made prior to issuance of permit.** If work has not been conducted within a 180 days the application will be voided. If additional work is required by the City of Seguin there will be additional charges that will need to be paid.
