Limited Use Permit Site Plan Requirements

The following information shall be shown on each site plan submitted to the Planning Department with an application for a Limited Use Permit. One copy of the site plan shall be submitted initially with the application.

The general information and data listed below may not be applicable to all types of Limited Use Permits. Please refer to the Unified Development Code, Section 3.5.

1. General information or data requirements to be shown directly on site plan
 - a. Name of development
 - b. Purpose of the development – limited use
 - c. Number of employees
 - d. Hours and Days of Operation

2. Specific data requirements to be shown directly on site plan
 - a. Present zoning classification of property
 - b. Total area of property in acres
 - c. Location of all existing and/or proposed structures (building footprints or envelopes)
 - d. Notation of maximum building height for each structures
 - e. Location of off-street parking area(s), showing all parking to include ADA
 - f. Location of all ingress-egress to property
 - g. Percent of maximum lot coverage
 - h. Percent of on-site landscaping and a landscaping plan to identify location, type, and size of all landscaping materials
 - i. Location of all public and private streets in and around property and location of sidewalks
 - j. Location of any public utility easements, utility lines, and firelanes within the property boundaries
 - k. Location, type and height of all exterior signs (provide sign details)
 - l. Location of all fencing and/or screening (to include height, materials, etc.)

I, being the undersigned applicant, understand that all of the conditions, dimensions, building sizes, landscaping and parking areas depicted on the site plan shall be adhered to as amended and approved by City Council.
